NEW WATER PERMIT FEE INFORMATION

EFFECTIVE APRIL 9th, 2012

The increased water connection fee being assessed by Carmel Utilities when a water permit (or combined water and sewer permit) is issued will go into effect for any applications being submitted as of 4/9/12.

WATER PERMIT ONLY:

The 2 fees applicable when only a water connection permit is being issued are:

1. The \$2,615.00 water connection fee.
2. The \$102.00 water tap inspection fee.

****The total for permits that are strictly for water connection only is: \$2,717.00.**

COMBINED WATER & SEWER PERMIT:

There 4 fees to be paid when a combined water & sewer connection permit is being issued are:

1. The \$102.00 sewer inspection fee.
2. The \$1,498.00 sewer connection fee.
3. The \$2,615.00 water connection fee.
4. The \$102.00 water tap fee.

****The total for a permit for combined sewer/water connection permit is:
\$4,317.00.**

Lisa Kempa of the Carmel Utilities Department should be contacted for water availability/connection fees for multi-family, commercial, & institutional projects. (This includes availability fees only for new subdivisions.) (317) 571-2443
